### **Product Terms and Conditions**

1. These terms apply to the **BE KP Q1 Fixed Price** plan. This price plan allows customers to avail of a 12 month fixed price contract. It will be available for sale until 31/03/2024, however we reserve the right to stop selling it to new customers at any stage.
2. Prices will be fully fixed for the 12 month term with the exception of VAT and Government Scheme Supports. These rates will not change over the contracted period. Presently fixed rate products contracted after 31 October 2022 are ineligible for government support, but in the event this changes for future EPG discounts we will notify you 21 days in advance of the change. Please note that eligibility criteria and the level of government support are continually under review and can change quarterly.
3. The eligibility criteria to avail of the **BE KP Q1 Fixed Price** plan are as follows:
  - a. They must be a new customer moving to Budget Energy.
  - b. They must be a domestic electricity customer in Northern Ireland with a prepayment meter.
  - c. They must pay for electricity via prepayment top ups to their keypad meter. These top ups can be purchased via our Budget Energy App, online, via automated phone services or at outlets where 'Paypoint' or 'Payzone' payment processing services are available.
4. These terms are in addition to the Budget Energy Domestic Customer Standard Terms and Conditions for the Supply of Electricity to metered premises and the Budget Energy Customer Agreement Form (CAF). The standard terms and conditions can be found on our website at [www.budgetenergy.co.uk](http://www.budgetenergy.co.uk) or obtained by calling us on Freephone number 0800 012 11 77.
5. In any event of any conflict between these terms, the Budget Energy Standard Terms and Conditions and the CAF, these terms will apply.

6. If the customer moves house during the contract period, they may continue to avail of this product for the remainder of the 12 month term, for electricity supply at their new address, provided they continue to meet the eligibility criteria as set out in clause 3.
7. The customer may cancel this agreement during the 10 working days from when the Agreement is first made ("*Cooling Off Period*") by writing to us via e-mail [talktous@budgetenergy.co.uk](mailto:talktous@budgetenergy.co.uk) or by calling us on Freephone number 0800 012 11 77.
8. We will give the customer notice, between 21 and 42 calendar days in advance of the contract term coming to an end, using their chosen method of communication. After the expiration of the 12 month agreement term, the customer will revert to the Budget Energy Standard Tariff applicable at that time. However we may contact them to offer a more beneficial product at this time.
